Chapter 274 of the American
Association of Woodturners

Atlanta Woodturners Guild Newsletter

Please continue to bring in items for show and tell! You can see items from the previous meeting in this newsletter. Sharing your work is a great way for other members to get some ideas what their next project may be.

Also we will have one of the club members in a special area before the meeting to help you if you are having an opportunity in your woodturning and need to ask some question. If you can bring in the item you are working on that is the opportunity it helps. The person there will try to help you and if not will find someone who can. We are all here to learn do not be ashamed to ask for help and assistance.

Also remember we have restarted the social time before the meeting. So if you want to beat traffic and get to know you fellow wood turners better. We will be going as a group to a local restaurant within walking distance of Woodcraft. We will be leaving between 5:00-5:15 so come join group. You will be amazed how much more you will learn about woodturning and members of the club.

We look forward to seeing you at our next club meeting Wednesday, October 18, 2017.

Hans Meier

Next Meeting – October 18, 2017

The next regularly scheduled meeting of the Atlanta Woodturners Guild will be on Wednesday, October 18, 2017 at 6:45 PM. (*Please note the new start time*)

We also invite everyone to meet for dinner before the meeting at Hooligans at 5:15. This is a good chance to beat the traffic and get to know some of the other members of the club. It is an easy walk from Woodcraft or feel free to drive (there is a traffic light on Holcomb bridge so its easy access to get out.)

October Meeting- Mike Peace

Join us Wednesday October 18, 2017 as we welcome Mike Peace, from Suwanee, Georgia. Mike will demonstrate how he turns a “water bird” using a simple multi axis technique that most turners can implement. This project can be done on a mini lathe using a scroll chuck. You can see a YouTube video of this project on Mike’s YouTube channel at https://youtu.be/ivSU_0fismw. Read more below about Mike Peace and be sure to check out his blog and YouTube channel to learn about him and his skills, and see other connections. We look forward to having Mike visit us at our Club.

Mike’s Bio Oct 2017

Mike Peace enjoys every aspect of woodturning including teaching and demonstrating. He has taught at the John C. Campbell Folk School and has demonstrated at an American Association of Woodturners national symposium as well as many clubs in the Southeast.

He is active in the American Association of Woodturners and three woodturning chapters in the Atlanta area. He has published a number of articles in *American Woodturner*, *More Woodturning* and *Woodturning Design*, and *Woodturning FUNdamentals*. He has a [YouTube channel](#) where he uploads a new woodturning tutorial each Friday and a turning tip each Tuesday.

Mike lives in Suwanee, GA with his wife Barbara. Before retirement, Mike worked at ADP as a payroll software project manager. He served on active duty in the US Army and stayed active as reservist retiring with the rank of Lieutenant Colonel.

More information on his woodturning can be found at his website <http://mikepeacewoodturning.blogspot.com/> or you can contact Mike at mtpeace@bellsouth.net.

Swap Shop/For Sale

Two Tree Boyz Wood sells locally harvested wood in end grain-sealed blank and log form. We sell from our Buford location by appointment, at local turning clubs, and online through our website. Visit us for best price, best selection, and custom cutting. We have the potential to get new wood daily from my husband's tree service, so let me know if you are looking for something special.

Steve Ewald is looking for a used mini lathe. Contact Steve if you've got information to share!

In late September, Joan McMullan wrote us and stated "Looking for someone in Conyers area to turn a bowl from water oak burl. It's from a tree that was in my grandfather's yard. Irma took this beautiful tree down." Contact Joan at joanmcmullan@me.com if you're interested.

We received another note in September as well. Brenda Sue Whitmire wrote "I have a beautiful old black walnut tree that came down in the storm. I am told the wood is valuable. Is there someone in your group that might be interested in purchasing it? Thank in advance for your assistance." Please contact Brenda at bswhitmire@windstream.net if you're interested.

Another note was received in late September. Hikaru Sahara wrote us the note below. Contact Hikaru directly if interested

Hello, I just wanted to let you and your fellow woodworkers know about some very good lumber that my father, Toshihiro Sahara, would like to sell. After 30 years at his Defoor Place workshop, he is liquidating everything in it, including his large supply of lumber. Much of the lumber is high quality old or river recovered cypress as well as white cedar, which he would like to sell for \$7/board foot. He also has a lot of other less costly wood that he would be able to give away to anyone who is interested. Please contact me at above email if you have any questions. The shop will be open on Saturday, Sept 23rd from 9AM, and by appointment in the next few weeks before the shop is sold.

Thanks very much for your attention,
Hikaru Sahara

About the Guild

The Atlanta Woodturners Guild (AWG) was formed to provide support, ideas, and camaraderie to fellow woodturners in the metro Atlanta area. The Guild meets once a month and members are invited to display examples of their work at the instant gallery. New and established turners have the opportunity to ask questions and solve problems with other members.

At each monthly meeting a demonstration is conducted by professional turners from all over the world. It is a great opportunity to see a professional in action, ask questions and learn techniques. The AWG has a comprehensive library stocked with woodturning DVD's, and books. These items are available to the membership for a small rental fee. Members are kept informed about upcoming events and activities through this, their web site.

All interested in learning about woodturning are welcome to attend the month meetings.
