Atlanta Woodturners Guild Newsletter

Please continue to bring in items for show and tell! You can see items from the previous meeting in this newsletter. Sharing your work is a great way for other members to get some ideas what their next project may be.

Also we will have one of the club members in a special area before the meeting to help you if you have an opportunity in your woodturning and need to ask some question. If you can bring in the item you are working on that is the opportunity, it helps. The person there will try to help you and if not will find someone who can. We are all here to learn do not be ashamed to ask for help and assistance.

Also remember we have restarted the social time before the meeting. So if you want to beat traffic and get to know you fellow wood turners better. We will be going as a group to a local restaurant within walking distance of Woodcraft. We will be leaving between 5:00-5:15 so come join group. You will be amazed how much more you will learn about woodturning and members of the club.

We look forward to seeing you at our next club meeting Wednesday, November 15, 2017.

About the Guild

The Atlanta Woodturners Guild (AWG) was formed to provide support, ideas, and camaraderie to fellow woodturners in the metro Atlanta area. The Guild meets once a month and members are invited to display examples of their work at the instant gallery. New and established turners have the opportunity to ask questions and solve problems with other members.

At each monthly meeting a demonstration is conducted by professional turners from all over the world. It is a great opportunity to see a professional in action, ask questions and learn techniques. The AWG has a comprehensive library stocked with woodturning DVD's, and books. These items are available to the membership for a small rental fee. Members are kept informed about upcoming events and activities through this, their web site.

All interested in learning about woodturning are welcome to attend the month meetings.
