Atlanta Woodturners Guild Newsletter

Please continue to bring in items for show and tell! You can see items from the previous meeting in this newsletter. Sharing your work is a great way for other members to get some ideas what their next project may be.

Also we will have one of the club members in a special area before the meeting to help you if you have an opportunity in your woodturning and need to ask some question. If you can bring in the item you are working on that is the opportunity, it helps. The person there will try to help you and if not will find someone who can. We are all here to learn do not be ashamed to ask for help and assistance.

Given this month we're holding our Holiday Event, we won't be officially gathering at Hooligan's for the social time before the meeting. However, please feel free to join your other club members on your own if you wish to.

We look forward to seeing you at our 2017 Holiday Event club meeting Wednesday, December 20, 2017.

Next Meeting; Holiday Event – December 20, 2017

The next regularly scheduled meeting of the Atlanta Woodturners Guild will be our Holiday Event on Wednesday, December 20, 2017 at 6:45 PM. (*Please note the start time*)

Our Holiday Event December 2017 meeting will follow our tradition of a gift exchange and refreshments / hors d'oeuvres. Participants will receive a raffle number upon entry for use in the gift exchange. We'll also hold an auction for the items contributed to from our various demonstrators during the year.

November Meeting Guest - Steve Pritchard

Thanks for joining us Wednesday November 15, 2017 as we welcomed Steve Pritchard, from Winston, Georgia. Steve showed us some great techniques on how he makes fantastic Pepper Mills. We had a great time with Steve. Take a look at the photographs below for some key points captured during the event. You can check Steve's website at <http://www.stevepritchardwoodturning.com/index.php> to find out more about Steve, his venture into woodturning and view some of his previous work. Steve's gallery includes a set peppermills that provide a great preview of what to expect from his demonstration.

About the Guild

The Atlanta Woodturners Guild (AWG) was formed to provide support, ideas, and camaraderie to fellow woodturners in the metro Atlanta area. The Guild meets once a month and members are invited to display examples of their work at the instant gallery. New and established turners have the opportunity to ask questions and solve problems with other members.

At each monthly meeting a demonstration is conducted by professional turners from all over the world. It is a great opportunity to see a professional in action, ask questions and learn techniques. The AWG has a comprehensive library stocked with woodturning DVD's, and books. These items are available to the membership for a small rental fee. Members are kept informed about upcoming events and activities through this, their web site.

All interested in learning about woodturning are welcome to attend the month meetings.
