November 2018

Chapter 274 of the American
Association of Woodturners

Atlanta Woodturners Guild Newsletter

Atlanta Woodturners Guild meets the third Wednesday of each month, except November, which in 2018 is on the 2nd Wednesday. Our monthly meeting format continues with the Opening, Show and Tell with the Instant Gallery presentations, followed by our featured Presenter / Guest Demonstrator, raffle drawing and closing remarks. Please continue to bring in items for show and tell! You can see items from the previous meeting in this newsletter. Sharing your work is a great way for other members to get some ideas what their next project may be.

Also we will have one of the club members in a special area before the meeting to help you if you have an opportunity in your woodturning and need to ask some question. If you can bring in the item you are working on that is the opportunity, it helps. The person there will try to help you and if not will find someone who can. We are all here to learn do not be ashamed to ask for help and assistance.

Also remember we have restarted the social time before the meeting. So join us early if you want to beat traffic and get to know you fellow wood turners better. We will be going as a group to a local restaurant within walking distance of Woodcraft. We will be leaving between 5:00-5:15 so come join group. You will be amazed how much more you will learn about woodturning and members of the club.

We look forward to seeing you at our next club meeting Wednesday, November 14, 2018.

Next Meeting; November 14, 2018

The next regularly scheduled meeting of the Atlanta Woodturners Guild will be on Wednesday, November 14, 2018 at 6:45 PM (***Please note the start time***). Our meeting will take place at Woodcraft of Atlanta, 8560 Holcomb Bridge Rd., Suite 115, Alpharetta, GA 30022. Arrive early before the meeting to look around, talk with the store team, and maybe buy a few of those project or shop items you've been considering.

We also invite everyone to meet for dinner before the meeting at Hooligans at 5:15. This is a good chance to beat the traffic and get to know some of the other members of the club. It is an easy walk from Woodcraft or feel free to drive (there is a traffic light on Holcomb bridge so its easy access to get out.)

Previous Meeting Recap – October 2018

Jeff Barnes, our Program Director, continues to set up a great line up of demonstrators for our club meetings.

Jeff arranged for a demonstration by Sammy Long at our October 2018 club meeting. Sammy put on a great demo that explained the process he uses to carve his thin wall hollow form vessels. Thanks Sammy, for sharing your skill and knowledge on power carving! You can see more of Sammy's work at

Here are some photographs from the meeting and Sammy's work.

About the Guild

The Atlanta Woodturners Guild (AWG) was formed to provide support, ideas, and camaraderie to fellow wood turners in the metro Atlanta area. The Guild meets once a month and members are invited to display examples of their work at the instant gallery. New and established turners have the opportunity to ask questions and solve problems with other members.

At each monthly meeting a demonstration is conducted by professional turners from all over the world. It is a great opportunity to see a professional in action, ask questions and learn techniques. The AWG has a comprehensive library stocked with woodturning DVD's, and books. These items are available to the membership for a small rental fee. Members are kept informed about upcoming events and activities through this, their web site.

All interested in learning about woodturning are welcome to attend the month meetings.
