This is your June 2023 edition of the Atlanta Woodturners Guild Newsletter. If you would like to submit an article, send to Tom Biehl at newsletteratlantawoodturnersguild.org

About the Guild

The Atlanta Woodturners Guild (AWG) was formed to provide support, ideas, and camaraderie to fellow woodturners in the metro Atlanta area. The Guild meets once a month and members are invited to display examples of their work at the instant gallery. New and established turners have the opportunity to ask questions and solve problems with other members.

At each monthly meeting a demonstration is conducted by professional turners from all over the world. Or sometimes one of our own accomplished members. It is a great opportunity to see a professional in action, ask questions and learn techniques. The AWG has a comprehensive library stocked with wood-turning DVD's, and books. These items are available to the membership for a small rental fee. Members are kept informed about upcoming events and activities through this newsletter and our web site.

Anyone interested in learning about woodturning is welcome to attend the monthly meetings.

Oh, What a Day!

May 20, 2023

It was a beautiful day for a tool exchange. The event was sponsored by the Atlanta Woodturners Guild. The Exchange was the concept of Katie Navarro. It was her inspiration and leadership that made the event a success. The work of many of our members to help plan, organize and implement a successful project to benefit the AWG was led by Katie with strong support from a host of others, especially Jim Hardy.

There were 22 spaces at the Tool Exchange by various individuals wanting to sell their no longer used tools, wood, etc. There were a ton of people that came to see what was available. There were people that came that were interested in turning and enjoyed the demonstrations presented by Mark Sillay and Harvey Meyer. There was a good amount of interest in visiting a club meeting to see if turning is something for them.

As I wandered about the venue, I saw a lot of folks in conversation. Some discussing the tools, some discussing the wood and some just discussing. Many new acquaintances were made. There were a number of idea exchanges amongst the attendees regarding their woodworking/woodturning experiences.

President's Message

June, 2023 Newsletter

First, I would like to thank everyone that participated in our very first Tool Exchange and Wood Sale. It was well attended, and our club made over \$600 and had a lot of fun and fellowship.

At the last meeting we elected Hans Meier as Vice President and Katie Navarro as a Director of our club effective immediately. I really appreciate all the hard work they already do for our club and it meant a lot to me that they would step up and take on more responsibility. Be sure and thank them next time you see them.

We had 39 of our 62 members asked to be enrolled in the Penn State Industries 10% Discount Program. If you have not gotten an email from Penn State and you would like to learn about the enrollment, please contact me for details at waynejohnson78@aol.com.

We continue to have good participation in our Show and Tell as well as our Raffle and it is impressive what good turnings we are seeing. In addition to bringing in your good work we also ask that you bring in some failures so we can all maybe learn from them.

Please contact Glen for any questions about Beads of Courage and try to get your bowls completed soon.

Katie Navarro has issued a challenge for all of us to make as many Harry Potter Wands as possible and she needs them by this month's meeting.

Do not forget to follow us on Facebook and **post pictures of your work there**. Also check out our website and see all things going on with our club.

Looking forward to seeing everyone on Wednesday, 5-5:30 pm dinner and socialize at Hooligans, 8440 Holcomb Bridge Rd., Roswell, GA. (Directly behind CVS on corner of Holcomb Bridge and Barnwell Rd. Weather permitting, park at Woodcraft and walk over. Meeting starts at 6+:45PM.

Vice President

For August, I will need everyone's help. Our meeting will be a jig and fixture presentation by all of us. So start thinking about what you might bring to this meeting. Michael Gibson is here in June!

Thin Walled Asial Rice Bowl

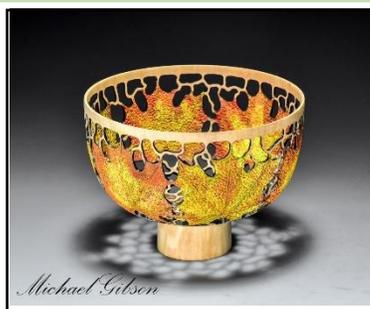

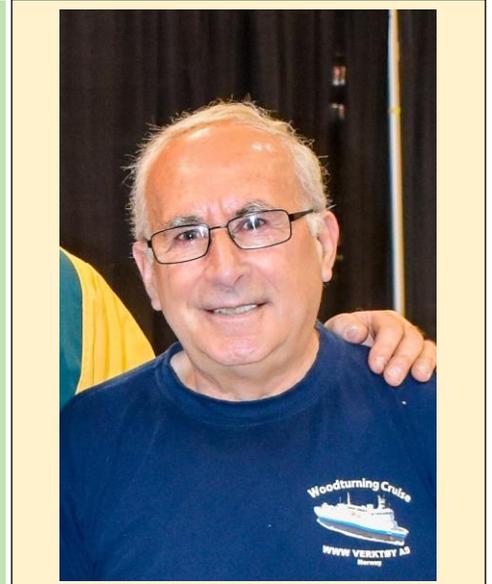

Our own member and internationally known Woodturner, Michael Gibson will demonstrate for us how he turns a thin-walled Asian rice bowl.

Michael was a featured demonstrator at the American Association of Woodturners International Symposium in 2013 and received high honors as recipients of the "Award of Excellence" for one of his pieces. At the 2015 AAW International

Symposium, he was awarded "Master Choice" in the Merging Exhibition. He demonstrated at the 2016 AAW International Symposium in Atlanta and was awarded "People's Choice" for his piece in the Exhibition Turning 30. He was juried into a special exhibition "The Space Between" and In the exhibition "Bridging the Gap" at the 2022 AAW symposium in Chattanooga. He was juried into the special Exhibition "Out of the Woods" at the 2023 AAW Symposium in Louisville. He has demonstrated for numerous chapters of the AAW and has been feature demonstrator in several States symposiums.

Michael is in high demand as a teacher and his wonderful techniques are taught to students from around the world. During the last several years he has taught in Canada, Norway, England, Turkey, and New Zealand as well as throughout the United States. He has taught in workshops, chapter classrooms, and in private settings. His work has been published in many journals nationally and internationally.

The artwork created has garnered the attention of many collectors and has been included in corporate and private collections. His work is sought after by high end galleries and gift shops throughout the world.

AWG Library

Look! We are back in business at Woodcraft. And so is our club librarian. We may not have a fancy library, but the knowledge that is within our selection is invaluable. Each month Jim Hardy, our librarian, will have our extensive Library available at the meeting. Each item is available for checkout - \$2/item/month. A list of books and DVDs available is on our website, <https://www.atlantawoodturnersguild.org> Our brand-new Members are eligible for up to 5 free monthly rentals in their first year of membership. Bonus to membership!

If you arrive a bit early there is time for some socialization and “catching” up with friends, you may not have seen in a while. It is also a good time to review what is in the library and available for check-out. And you can purchase raffle tickets for whatever prizes will be raffled at the end of the meeting. See Hans Meier.

HOT Sessions– A Club Favorite!

Sessions are held on the first Wednesday of each month. Leaders of the sessions mostly come from within the club. The leaders teach subjects meant to develop skills. And the goal is for each attendee to take something home to show off. To enroll in a session, contact Katie Navarro hotclassesatlantawoodturnersguild.org. The planned schedule to date is below.

Turn it on, Turn it up, and Turn Me Loose!

And turn the page for more about HOT!

Hands on Turning

If you haven't attended one of our HOT (Hands On Turning) sessions, you are missing out on one of the best perks (in my opinion) of our Club. Everyone knows lunch time is my favorite because we get to eat together and tell tall turning tales at the table, as well as getting to know each other better. Of course, there is the learning part too and the part where you can turn all day with like-minded friends for very little money.

Our June was facilitated by Katie Navarro. Katie led us through turning Wands. The group either brought or turned twenty-nine wands to be donated to Camp Korey in Washington State. This camp offers free tuition to children who are critically ill. The facility has a new Harry Potter building built by volunteer woodworkers.

The wands brought or made in the class.

And when it is time to clean up, Seth just won't quit

Looking ahead to July's Meeting and Demo

July's Featured Demonstrator – Peggy Schmid Peggy will demonstrate Polymer Clay Canes

**Peggy Elise Schmid
6220 Ivey Springs Chase
Cumming, GA 30040
678-640-5634**

As a native Atlantan, Peggy watched the city grow from a small town into a thriving metropolis. Most of her life has been spent in and around the Atlanta area. After working in the private sector for many years, she returned to college, and at age 35, obtained a Fine Arts degree from the Atlanta College of Art (SCAD), with a major in Sculpture in 1990. It was her lifelong dream to become an artist. She also trained as an Art Educator at Georgia State University where she was an Honors Society student.

Peggy produced several major sculptural works in her career, including the Pinwheel Project for the Artist Complex, "Tula" in Buckhead, and large-scale sculptural pieces for the movie "Freejack," produced by Morgan Creek Productions. Her drawings were featured by the Gorilla Girls in Chicago and at ABC No-Rio in New York City. In 1998, she became a member of the Georgia Association of Woodturners and began her passion for Woodturning.

She is a member of the AAW and is an active member of the Etowah River Woodturners. She served as the President of The Georgia Association of Woodturners and has held several positions on the board of the Apple Ridge Woodturners. She helped establish and served as the President of the Friends of the Florida School of Woodwork, a non-profit dedicated to promoting woodworking education. Peggy demonstrates woodturning for many of the chapters in and around Georgia and is a frequent demonstrator at the tradeshow for woodworking and turning. Her work is found in private and corporate collections throughout the country.

"Artists are drawn to what they love about the art they make. I was always fascinated by the smell of fresh cut lumber in my papa's shop. Those days spent learning how to use tools and appreciating the materials were the most gratifying in my life. To this day, each time I turn a piece of pine, I am reminded of his kind and patient guidance in teaching me to work with wood. It is no wonder that I have grown into a woodturner as an artist. Each piece of wood is a new present to be opened and cherished. I am always fascinated by the surprises I find.

Welcome to our new member, **Tony Campbell, who joined in April. We appreciate you being with us and look forward to a long relationship.**

Beads of Courage

Glen Withrow hopes to get two beads of courage bowls from each member by the end of the year. Please do all you can to meet this request. Glen may be contacted with questions at beadsofcourageatlantawoodturnersguild.org

Together, we can meet this goal. Can Do!

Glen hosted a HOT Session on turning a Beads of Courage Bowl in May.

May Show & Tell

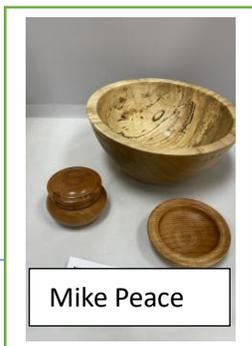

During our May meeting we were blessed with many member show and tell items for our viewing pleasure. Our Superb turner's have shared their works. We look forward to another great show and tell during our June meeting. So let's Create, Show, and Tell (about it)!

This message announces the inauguration of some long-awaited updates to our Atlanta Woodworkers Guild web site (atlantawoodturnersguild.org). Our site retains the same hosting company (WIX.com) but now takes advantage of their recent service enhancements, including better support for various types of media (databases, graphics, videos and .PDF files). The color scheme and layout may be a little different, but you will recognize our club information and it should be easier to find and review.

Featured is a new **Event Calendar** (atlantawoodturnersguild.org/event-calendar), showing a schedule for our regular monthly meetings, our popular Hands On Turning (H.O.T.) sessions, and other upcoming events. The **Newsletter** archive (atlantawoodturnersguild.org/newsletters) is on-line again and will be kept current. A **Contact Us** page (atlantawoodturnersguild.org/contact-us) gives names and contact information for our current Officers and Board of Directors. An **About the AWG** page (atlantawoodturnersguild.org/about-the-awg) welcomes new members. A Members Only section provides access to our latest **Member List** (atlantawoodturnersguild.org/member-list) so you can stay in contact with your fellow members. The password is being updated and will be distributed in the not-too-distant future via email to members. Shortly I hope to add a page of public Forums, starting with a new Trading Post and one for Tips & Techniques.
